Your card printer is safe, anywhere!

The Primacy, Zenius and Elypso Travel Bag is designed to carry two kinds of printers, the Primacy, Zenius or Elypso with their consumables and cables. It also serves as a protection for your valuable equipment.

Its quality finish makes it the must-have accessory for professionals who need to issue on-site badges: in schools, for companies with multiple locations or for event management.

The Primacy, Zenius and Elypso Travel Bag protects your printer and accessories when you are on the go, at the same time providing easy carrying comfort, thanks to its non-slip shoulder strap and its handle.

Protection for your Primacy, Zenius or Elypso printer

- Foam padding to protect your printer from minor shocks and scratches
- Quality finish, resistant outer fabric
- A first barrier against dust and water

Comfortable carrying

- Convenient and compact
- Comfortable and adjustable shoulder strap with a rubber pad
- Top grip handle

2 storage compartments:

- Easy access to your printer thanks to a main storage compartment
- An extra foam pad is included for a better fit for the Zenius or Elypso printer.
  Remove it in order to fit the Primacy
- Rear pocket to store the consumables (cards…), the printer’s power supply unit and cables (USB…)
